I spoke with the owner of the property Mr. Fallon who states that he removed the refrigerator because it had been on the property for over a week and he believed it was the unit that was inside of the apartment when he rented the property to Ms. Bonfiglio. I informed him that Mr. Gardikis states that he owns the unit and that he was swapping it out for the original one inside the apartment because it was broken and leaking. Mr. Fallon was not aware of this and was receptive to returning the refrigerator for installation. Mr. Gardikis was advised of this and will let us know if there are any further problems.
